

## **CURRICULUM GUIDE 2017-2018**

### **BUSINESS ADMINISTRATION**

#### **Associate in Arts in Business Administration**

The Associate in Arts in Business Administration offered by Ohlone College is designed to provide students with a fundamental understanding of the principles of business administration. Courses prepare students for studying business at most universities. This program fulfills typical lower-division requirements at baccalaureate institutions.

Since some curriculum requirements may vary among transfer universities, it is imperative that students entering Ohlone's associate degree program in Business Administration meet with a counselor at the start of their academic work. Counselors will assist students in preparing a comprehensive Student Education Plan that will prepare them to transfer to the university of their choice. Counselors will also advise students on the general education plan that best prepares them for future transfer.
